REGULATORY RESURRECTION AND RENEWAL: CAFETERIA PLAN DESIGN AND ADMINISTRATION UNDER THE PROPOSED (AND MAYBE FINAL) REGULATIONS

Wednesday, June 4, 2008

UMKC University Center – Alumni Room

5000 Holmes, Kansas City, MO 64110

CLE Credit Hours: MO 2.5 / KS pending

The IRS recently assembled a bevy of formal and informal, young and old cafeteria plan guidance and issued the entire casserole as a comprehensive set of proposed regulations governing everything from cafeteria plan establishment to the appropriate use of debit cards. Much of the proposed rules reorganize and rehash earlier guidance, but the regulations include interesting new twists as well. This presentation examines both the proposed regulations and their practical implications for the cafeteria plan administrator. In the event the IRS finalizes the rules prior to the seminar date, we'll address the final regulations in lieu of the proposed.

This program is intended to be interactive. Please come with your questions.
